Litigation Report

In the case of Woodrun POA vs Bufford Wayne Morris for the lake access property, The attorneys for both sides have filed their final briefs. We are awaiting the Judge's ruling. There isn't any time frame for the ruling.

The Public Docks

As you all know by now the assessment of \$40 passed. The projected income was divided between 4 projects; the public dock at the boat ramp, the maintenance building, security cameras for the front gate and the clubhouse. Within one week of the board meeting we got the contract and the dock has been replaced! Joe Summerlin is pricing out the new cameras and will install them. This should allow us to not only see who is driving through the gate but also get their license plate number.

Board Changes

Randy Doles' Mom is sick and needs constant care, Randy and his siblings are meeting this challenge. Between working full time and helping to look after his Mom he has been unable to meet his board responsibilities. Randy has resigned and Scott Bagwell was appointed to serve out the remainder of Randy's term. We wish his Mom well and we'll miss him on the board.

Harvest Fest 2018

Barbara and Judy put together another fantastic party for this year's Harvest Fest! Approximately 50 people attended and enjoyed the food, door prizes and cake walk. The party started at 5:30 and the hay ride left the clubhouse at 8:00. Following are some pictures of the fun time.
