## News & Views from Woodrun

Dec 2019-6

### NEW OFFICE HOURS

We have new office hours the business office. Monday, Tuesday, Thursday & Friday are 8 to 1:30. The last Tuesday of the month hours are 11:00 to 5:00. The Saturday of the monthly meeting the office will be open till 2:00.

We hope these new hours will make it easier for all members to conduct business with the association.

### ANIMAL CONTROL

The new number for Hardeman County Animal Control (731) 212-1935. All issues concerning animals should be reported here.

### Meet Martha

Woodrun welcomes our new Administrative Assistant:

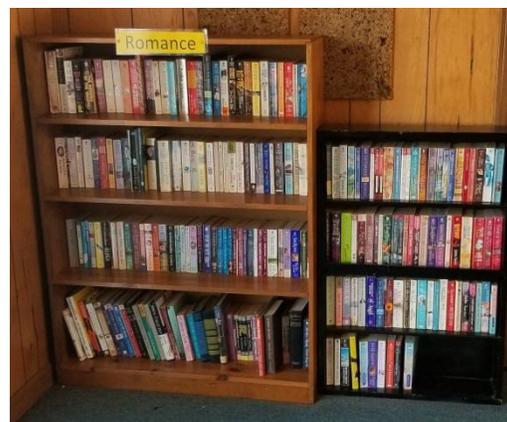

Martha Daniel. I live on Holly Cove, and have since May of 2013, but I have been coming to Woodrun since I was a child. I am married to Clint and have two children, Nathan 15 and Jackson 10. Clint's father Bobby also lives with us. We have 1 dog (Zeus) who is spoiled just

about as much as my children are. My hobbies include crafting, reading, and most importantly supporting my kids in anything they do. My favorite time of year is

summer. In the summer you can find me most days either at one of the pools with the kids or on the golf cart taking Zeus for a ride. I am also a volunteer firefighter with the Middleton Fire Department.

### Library

Located in the clubhouse is WR's lending library. On these cold winter nights check it out and find a good book to read. On

Sunday Nov. 10 we had some of the members of the Middleton High School Beta Club volunteer to organize our library at the clubhouse. Beta Club is an academic honors program with a strong emphasis on community service. Not only did these students organize our books and turn it into a library, they also

revamped our lost and found bin. Let's show our appreciation to these students by keeping the library organized. If you would like to donate to the library books are welcome. Please either place them in the section where they belong or place the book donations by the door to the office and they will be placed in the appropriate section. Also if anyone has any bookshelves that they are willing to donate those would be appreciated as well. We truly thank the Beta Club for their work to improve WR. Also many thanks to our new administrative assistant for suggesting this service project to Beta Club.
