### Timely Notes from September Meeting

A few topics that were discussed in Septembers' meeting are as follows:

Please respect your neighbors and show consideration with the riding of 4 wheelers, side by sides, or loud vehicles. Please don't ride later than **10 pm** as we do have some neighbors who are trying to sleep. Also please advise your children to be watchful and slow down for pets and people walking when they are out riding 4-wheelers or golf carts.

Please keep a close eye on your children. Especially when at the pool. There was a situation recently that could have been really bad, had it not been for a watchful neighbor. We care about your kids too and just do not want anything bad to happen.

Thank You,

The annual Yard Sale from all reports was a success! The new feature this year was the bake sale, that raised money for the men's room rehab, was also a success. This money plus what's left from the \$40 assessment will go a long way in the rehab and floor repair project.

## Thanks to everyone!!
